Dear Store Manager,

I would love to be able to buy Foods Alive products at your store!

Foods Alive is a family owned crafter of organic flax, hemp and chia foods. Just like you and I, they care deeply about the foods we put into our bodies, so they use the highest quality certified Organic, Non-GMO, Gluten Free, Raw, Vegan and Kosher ingredients in all of their products.

For more information or product samples of their one of a kind Flax Crackers, Artisan Cold-Pressed Oils, Superfood Dressings and Super Foods, please contact Foods Alive by telephone at: **(260) 488-4497** or email at: **info@foodsalive.com**.

I look forward to purchasing Foods Alive brand products at your store, and I am certain that you and your staff will enjoy their high quality products just as much as I do!

Thank you so much!
