Foods Alive Adds New Asian Flavor to Their Line of Artisan Cold-Pressed Superfood Dressings

Easiest way to get your omegas is in the best tasting salad dressing ever

Waterloo, Indiana (June 5, 2015) – The leading crafters of life-giving, mineral-rich, organic food have added yet another Superfood Dressing to their lineup, that contains over 50% omega rich, artisan cold-pressed Hemp and Black Sesame oil. Foods Alive **Asian Ginger Superfood Dressing** is Artisan-Crafted in small batches and at a very low temperature of 108-degrees (Cold-Pressed), to help preserve the taste and the benefits of the oil. Foods Alive sets itself apart by Artisan Cold Pressing samples of seed from several certified organic farmers, then tasting each batch to find the one with the lightest and nuttiest taste, showing its full potential of essential minerals and nutrients. Once the best tasting one is chosen, **Foods Alive** cold-presses this wonderful organic, artisan oil right here, in the USA. Due to U.S. laws restricting the growing of hemp on American soil, Foods Alive receives their hemp oil from Canada and does not press their own hemp oil at this time.

Now, even finicky kids and ornery seniors can get their Omega 3's & 6's with this delicious new superfood dressing. These omegas are essential and can only be ingested because they are not produced in the body. Asian Ginger Superfood Dressing begins when Foods Alive artisan cold-pressed black sesame and hemp oils are united with zesty ginger, savory garlic and a dash of cayenne, which creates a mouth-dazzling sensation reminiscent of the orient.

Foods Alive Asian Ginger Superfood Dressing is 90% organic (because it contains Bragg Liquid Amino's— a fermented soy sauce that is NON-GMO Project Verified and Gluten Free), raw, gluten free, vegan and kosher. It is packaged in three different sizes— 4-ounces, 8-ounces or 16-ounces, with a suggested retail price of \$5.99, \$10.99 and \$18.99 respectively. This brand new dressing is the newest addition to the popular Superfood Dressing line at Foods Alive. Foods Alive products are available at Whole Foods Markets, hundreds of other stores across the United States, and many leading web retailers including Amazon.com and Vitacost.com.
