## Foods Alive Changes Name of Popular Mike's Special Dressing

*Same great taste, just a different name; also now available in three sizes*

Waterloo, Indiana (June 5, 2015) – The leading crafters of life-giving, mineral-rich, organic food have changed the name of one of their most popular Superfood Dressings. Foods Alive Mike's Special Superfood Dressing is now called **Garlic Paprika Superfood Dressing**. It is still Artisan-Crafted in small batches and at a very low temperature of 108-degrees (Cold-Pressed), to help preserve the taste and the benefits of the oil. What this also means, is that the ever popular dressing still has that same great taste that everybody's come to love over the years.

Foods Alive Garlic Paprika Superfood Dressing is still organic, raw, gluten free, vegan and kosher. It is packaged in three different sizes— 4-ounces, 8-ounces and 16-ounces, with a suggested retail price of \$5.99, \$10.99 and \$18.99 respectively. The addition of the new 4-ounce bottle gives this dressing more versatility as a great way to take it while traveling or on the go. Garlic Paprika Superfood Dressing is available at Whole Foods Markets, hundreds of other stores across the United States, and many leading web retailers including Amazon.com and Vitacost.com.
