## Foods Alive Artisan Cold-Pressed Oils and Superfood Dressings Now Available in Three Different Sizes

*New choices in size to meet consumer demand*

Waterloo, Indiana (June 5, 2015) – The leading crafters of life-giving, mineral-rich, organic food have created three different sizes for all of their artisan cold-pressed oils and superfood dressings. **Foods Alive** now offers these in 4-ounce, 8-ounce and 16-ounce bottles. This creates uniformity in the selection of their oils and dressings amongst customers. In the past, only certain flavors had two options for the size of bottle, while the majority of the other flavors were only available in an 8-ounce bottle. The addition of the new 4-ounce bottle gives the artisan oil or superfood dressing more versatility as a great way to take it while traveling or on the go. These new sizes are available at Whole Foods Markets, hundreds of other stores across the United States, and many leading web retailers including Amazon.com and Vitacost.com.
